LEADERSHIP MESSAGE

MR. DEVENDRA MISHRA

10+ Years of Professional Experience

“At OPM SONS HOSPITALITY SERVICES, we believe that trust is built through consistent delivery, responsible workforce management and transparent client relationships. Our aim is to provide reliable service solutions that strengthen our clients’ operations and create long-term value for every stakeholder.”

Our leadership philosophy is practical: understand the requirement, deploy the right people, maintain clear communication and uphold consistent service quality.

VISION

- To become a trusted and preferred service partner across India.
- To be recognized for dependable workforce and service execution.

MISSION

- Deliver trained, reliable and responsive service teams.
- Build transparent and lasting client partnerships.
- Create value through disciplined operations and quality focus.

CORE VALUES

- Integrity & Transparency
- Professionalism & Discipline
- Quality & Accountability
- Client Satisfaction
- Teamwork & Respect

Our hospitality solutions are designed to support service excellence, guest satisfaction and consistent operational standards across hotels, institutions, corporate facilities and events.

Event Management • Guest coordination • Event staffing • Venue support • On-ground execution	Hotel Operations Support • Operational assistance • Service coordination • Back-office support • Peak-load staffing	Guest Relations Services • Guest assistance • Helpdesk support • Complaint coordination • Professional interaction
Housekeeping Services • Routine housekeeping • Deep cleaning support • Public area upkeep • Hygiene-focused deployment	Facility Management • Soft services support • Routine facility coordination • Service supervision • Workplace upkeep	Front Office Support • Reception assistance • Visitor handling • Call coordination • Administrative support

Service delivery can be structured for daily operations, short-term requirements, events, seasonal peaks or long-term contracts.

Workforce solutions built around reliability and role-fit

We help clients meet workforce requirements with flexible deployment models for hospitality, events, facilities, offices and commercial operations. Our focus is on role understanding, basic screening, deployment coordination and ongoing communication.

- Skilled Manpower Supply
- Semi-Skilled Workforce
